

## **Professional Diploma in Clinical Leadership – RCSI Institute of Leadership**

RCSI Institute of Leadership is delighted to partner with the 30% Club to offer one female candidate a scholarship covering all tuition fees on our Professional Diploma in Clinical Leadership (PDCL) commencing October 2018.

### **The Programme**

The Professional Diploma in Clinical Leadership is accredited by National University of Ireland & Royal College of Surgeons in Ireland at a Level 9 (Special Purpose Award) is unique in that it is an interdisciplinary specialist post graduate programme designed for newly appointed or “soon to be appointed” senior clinicians, clinical managers / supervisors / clinical nurse managers and allied health professionals in the private, public or non-profit sector who wish, quickly, to develop their clinical leadership skills.

The Professional Diploma is offered in a flexible and student-centred delivery model, embracing the full benefits of digital technology. Online delivery will facilitate cohorts of students who cannot take the time out of their work schedule to attend face-to-face sessions. The programme, which will be delivered using a blend of on-demand content, synchronous tutorials, discussion fora and will be supported by traditional face-to-face sessions over the duration of the programme. The programme involves 3 modules and runs from over 9 months.

Participants will undertake a unique programme of study which will be evidence-based, cutting edge and designed to meet the immediate development needs of both themselves and their organisations. There will be a strong emphasis on personal and professional development and significant applications of psychometric measurement. The development of systems thinking and

transformational leadership will be a major focus of this programme. The programme will also incorporate international thinking derived from advances in positive psychology and positive organisations scholarship. As such, it will be the first such programme in Ireland to incorporate these developments.

### **Is this programme for you?**

The programme is designed for all senior clinical staff, seeking to significantly develop their clinical leadership capacity, increase their self- insights and maximise their impact on others in their healthcare organisations.

**Applications Deadline:** May 31<sup>st</sup> 2018
